*The 35<sup>th</sup> City Wide Prayer Rally was held at the new campus of St. Michael's Catholic Community Church on Friday, October 21, 2011. The evening opened with a time of reflection and prayer as Clay Nunweiler and his group led the congregation into a time of quiet peace and prayer as Father Nathan Siray opened in prayer.*

*Rev. Willie Dueck brought the city's pastors before the throne of God as he announced two upcoming pastors' prayer opportunities: CEMA's Prayer Summit with Dr. Daniel Henderson on February 6-8<sup>th</sup>, and RE-Discover 2012 with Pastor Jim Cymbala and Dr. Daniel Henderson on April 26<sup>th</sup>. For more information on these events, please see the links on our website.*

*Rev. Murray Dodds had just returned from a worldwide intercessory prayer event that involved various denominations and leaders, including representatives from the Vatican. Rev. Dodds brought a special message home from the Vatican concerning prayer, as he led the congregation in a time of repentance and renewal. Several pastors led in prayer for the city, the country, and the world, ending with a powerful prayer led by Rev. John Hutchinson for all pastors, para-Church leaders in and around Calgary.*

*City Wide Prayer Rally was blessed to have David Tait from Teen Challenge Alberta share his testimony of God answering prayer in his life as he sought redemption and forgiveness. His powerful message reminded all who were in attendance that mercy and grace are the Lord's gifts to his people through His Son, Jesus Christ!*

*We look forward to the 36<sup>th</sup> City Wide Prayer Rally to be held on Friday, January 20<sup>th</sup>, 2012 at the Calgary Full Gospel Church. We hope to see you there!*
